

حُبُّ النَّبِيِّ وَالْأَلِ دِينِي وَمَذْهَبٌ حَقًّا وَيَقِينِي
وَعُمْدَتِي فِي كُلِّ حِينٍ دَوْمًا فَإِنِّي لَا أَضَامُ

Hubbu Nabi wa 'l-'ali dini wa madh-habi haqqan wa yaqini

Wa 'umdati fi kulli hinin dawman fa inni la 'uḍamu

Love of the Prophet and his Family is my Din, my true Madhhab and conviction.

My support in all circumstances

and forever - certainly I will not be let down.

الشَّمْسُ بَعْضُ مِنْ ضِيَاءِهِ وَالْبَدْرُ نَوْعٌ مِنْ سَنَاهِ
وَالْكُلُّ فِي مَعْنَاهُ تَاهٌ لَمْ يُدْرِكْهُ ذَاكَ الْمَقَامُ

Ash-shamsu ba'dun min ḍiyahu wa 'l-badru naw'un min sanahu

Wa 'l-kullu fi ma'nahu tahu lam yudrik-hu dhaka 'l-maqami

The sun is but a part of his light

and the moon is but an aspect of his splendour.

Everyone will be perplexed by his significance.

Unable to grasp such a (high) maqam.

أَوَاهُ قَدْ زَادَتْ نُحُولِي وَزَادَ هَمِّي وَذُهُولِي
لَكِنْ بِمَدْحِي لِلرَّسُولِ شَفِيتُ مِنْ كُلِّ الْأَسْقَامِ

Awwahu qad zatat nuḥuli wa zada hammi wa dhuhuli

Lakin bi madḥi li-r-Rasuli shufitu min kulli 'l-asqami

Ah, I was being consumed more and more by sorrow,

my state of distress aggravating,

However by praising the Messenger

I have been healed from all pains.

سُبْحَانَ مَنْ أَعْلَاهُ قَدْرًا وَزَادَهُ فَضْلًا وَفَخْرًا
وَفِي الدُّجَى مَوْلَاهُ أُسْرَى بِهِ إِلَى الْبَيْتِ الْحَرَامِ

Subḥan man a'lahu qadran wa zadamu faḍlan wa fakhran

Wa fi 'd-duja mawalahu asra bihi mina 'l-baiti 'l-Ḥarami

Exalted is the One Who raised him in rank

and increased him in honour and glory

In the darkness (of the night) his Lord carried him
swiftly from the Sacred House.

أَحْدِي صَلَاتِي مَعَ سَلَامِي إِلَى النَّبِيِّ الْهَادِي وَالتَّهَامِ
وَالْأَلِ وَالصَّحْبِ الْكِرَامِ أَرْجُو بِهِمْ حُسْنَ الْخِتَامِ

Ahdi Salaati ma'a Salaam ila nabi ilhaadi iltihaami
Wal aali wa sahbil kiraami, arju bihim husnal khitaam.

I offer blessings and greetings of peace
to the Prophet, the guide, from Tihama,
And the noble Family and companions
hoping by them (to reach) a good ending.
